

MISSISSIPPI E3

Mississippi E3 is coordinated by MMA-MEP

March 2019

Wanted: Manufacturers looking to reduce waste and save money

MMA-MEP is offering a limited number of manufacturing sustainability assessments at no cost to qualifying Mississippi manufacturers. These free assessments are made possible by a grant from the Mississippi Department of Environmental Quality (MDEQ).

Our E3 assessment is a collaborative process. The company must be willing to commit the time and key personnel to work with the Mississippi E3 team. Company involvement includes the completion of a pre-assessment survey, participation in a one-day assessment visit and follow-up meeting (one hour), and completion of a post-assessment impact survey.

To be eligible, a company must be a manufacturer located in Mississippi and with no more than 200 employees on-site. The company must have a DUNS number (available at no cost) and a NAICS code beginning with 31, 32, or 33.

To take advantage of this limited time opportunity, or for more information, please contact:

An E3 sustainability assessment typically includes:

1. *Lean & Green assessment*
2. *ASHRAE Level 1 energy audit*
3. *Environmental assessment*
4. *Safety assessment*

E3 Benefits:

- ✓ Reduced waste
- ✓ Lower energy costs
- ✓ Reduced hazards
- ✓ Avoided penalties
- ✓ Improved productivity

MMA-MEP is a line of business of Mississippi Manufacturers Association (MMA) and a NIST Manufacturing Extension Partnership (MEP) Center. MEP services are available to all Mississippi manufacturers. For more information about MMA-MEP go to:

About E3

E3, which stands for Economy, Energy, and Environment, is a coordinated federal, state and local technical assistance initiative that focuses on manufacturing sustainability. The goal is to help manufacturers across the nation adapt and thrive in a new business era focused on sustainability.

E3 is a collaborative effort among six federal agencies:

- ❖ Department of Commerce (DOC)
- ❖ Department of Energy (DOE)
- ❖ Environmental Protection Agency (EPA)
- ❖ Department of Labor (DOL)
- ❖ Small Business Administration (SBA)
- ❖ U.S. Department of Agriculture (USDA)
